

**Ranger College**  
**Addenda**  
**To RFP 2024-25-006**  
**Cooperative Contract Competitive Request for Proposals for**  
**Athletic Field Synthetic Turf Conversion**

Ranger College is requesting the following changes to the RFP:

**1.00 Scope of Work #20** – Requesting a minimum of eight (8) years warranty and maintenance; including 10 velcro field and bullpen pitching mounds replacements, 8 sets of right and left batter’s box and catcher’s box replacements, and one set of 10 ft x 12 ft base replacements. Also requesting for the maintenance replacement package of once per year to replace any necessary replacements and groom field before the start of the season.

**1.00 Scope of Work Option #1 and Option #2 (NEW)** - Construct new 8” x 12” concrete curb at extents of synthetic turf; remove and reinstall fencing as required.

**1.00 Scope of Work RC and Contractor Responsibilities** – Following the reward of the project, the contractor will be responsible for providing survey and geotechnical services. For this proposal, include moisture conditioning the existing site soils to a depth of 6”. Costs for soil stabilization will be reconciled through a change order, if necessary, upon completion of the geotechnical engineer’s recommendations.

**1.00 Scope of Work Exclusions** – Remove second bullet – All surveying and engineering not specified in the proposal are excluded.

**1.00 Scope of Work #23 (New)** – Fence in both home and visitor bullpen areas with 4 ft chain link fencing.

**1.07 Materials** – Remove#4 as this is covered in 1.00 Scope of Work #20.
