PROFESSIONAL EXPERIENCE

RANGER COLLEGE, 2019-Present

Vocational Nursing Instructor

Engaging Students in various learning environments between lecture, lab and clinicals while developing knowledge and skills of the Vocational Nurse with focus on patient safety and infection control. Areas of instruction include Nursing Foundations, Basic Nursing Skills, Gerontology, Nursing in Mental Health, Medical Surgical Nursing II and III.

EASTLAND MEMORIAL HOSPITAL, 2016-2019

Acute Care Nurse

Improved performance by orienting new hires in a 35 bed intermediate term care facility. Accurately administering medication through various routes, inserting and assessing IV's, inserting and caring for urinary catheters, nasogastric tubes, PEG Tube feedings, collecting ordered labs, colostomy care and monitoring Patient Controlled Analgesics. Closely monitoring vital signs, promptly reporting change in condition, correctly executing Doctor's orders; double checking and looking for changes or discrepancies. Ensuring positive outcomes for patients by teaching and providing education to meet their health care goals.
