## MILITARY EXPERIENCE

03/1989 to 06/1992

**Navy Corpsman – Second Class Petty Officer**

Reserves: 08/1999 to 08/2003

**United States Navy and United States Navy Reserve**

## EXPERIENCE

01/2019 to Current

### **Instructor**

**Ranger College** – Early, Texas

Full and part-time responsibilities for both classroom and clinical instruction. This includes the evaluation of both clinical performance, knowledge, and educational expectations through written assessments. This requires the analysis of the assessment and the provision of feedback to ensure the student the greatest opportunity for success. As an instructor, have been tasked with teaching both the beginning introductory pathophysiology course as well as the final critical care portion of the student nurse's education.

04/2021 to 10/2022

### **Intensive Care Unit – Registered Nurse**

**Lake Granbury Medical Center** – Granbury, Texas

RN responsible for the care of critically ill patients admitted to the Intensive Care Unit. This included the management of mechanical ventilation, vasoactive medication, arterial and central venous lines, and other intensive care measures. Collaboration with telemedicine intensivist plan of care, hospitalist orders and communication, and the coordination of care with ancillary departments. The role included communication with the families once per shift as well as providing compassionate communication in lieu of the families presence during the pandemic.

08/2020 to 05/2021

### **Adjunct Instructor**

**Tarleton State University** – Stephenville, Texas

Adjunct Instructor responsible for the oversight of clinical education, evaluation, and assessment of pre-licensure nursing students in the hospital setting.

07/2015 to 03/2021

### **Assistant Director of Nursing and Clinical Educator**

**Hamilton Healthcare System** – Hamilton, Texas

Nurse Leader and Educator responsible for the daily operations oversight, employee clinical competence verification, education creation and provision, employee development and discipline, as well as assisting in the development and implementation of processes and process changes for the entire healthcare system. Created a revenue neutral education program that offers education and training to all employees as well as providers from the surrounding area.

07/2015 to 10/2017

### **Flight Nurse**

**Air Evac Lifeteam** – Brownwood, Texas

Part-time flight nurse responsible for the safe and effective care of critically injured and ill patients during transport between facilities as well as from the scene. Also responsible for the AHA instruction to outlying hospitals and providers. As a flight team member, participated in the safe operation and maintenance of equipment necessary to carry out the responsibilities as a flight nurse.

06/2013 to 07/2015

**Program Director/Flight Nurse**

**Air Evac Lifeteam** – Carrizo Springs, Texas

Program Director responsible for the daily employee development, base operations, staff management, scheduling, recruitment and retention of employees, quality measure verification and budgetary control. Presented with the Leadership Award for Air Evac Lifeteam Region 5 (Texas) for April 2015.

05/2010 to 06/2013

**Emergency Department Registered Nurse/Asst. Nurse Manager**

**St. Elizabeth's Medical Center** – Utica, New York

Emergency Department Register Nurse responsible for the care and treatment of trauma and medical patients entering the department. Also, became charge nurse and promoted to Assistant Nurse Manager of the Emergency Department. This position required employee management, schedule, staff assignment, discipline, and oversight of assigned shift.

## EDUCATION AND TRAINING
