Students awarded credentials represent the fulfillment of the Ranger College Mission, which is to transform lives and give students the skills to be a positive influence in their communities. We extend our deepest appreciation to our students and the support they have received from their family and friends. Graduation is not official until final grades are received, all degree requirements satisfied, and financial obligations fulfilled. Official transcripts will indicate award of earned degrees. On behalf of the Ranger College community
Congratulations!

EMT Oath of Service

Be it pledged, as an Emergency Medical Technician, that I will honor the physical and judicial laws of God and man. I will follow that regimen which, according to my ability and judgment, I consider for the benefit of patients, and abstain from whatever is deleterious or mischievous; nor shall I suggest any such counsel.

Into whatever homes I enter, I will go into them for the benefit of only the sick and injured, never revealing what I see or hear in the lives of men unless required by law. I shall also share my medical knowledge with those who may benefit from what I have learned.

I will serve unselfishly and continuously in order to help make a better world for all mankind. While I continue to keep this oath unviolated, may it be granted to me to enjoy life and the practice of the art, respected by all men in all times. Should I trespass or violate this oath, may the reverse be my lot. So help me God.
