### The Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standards of my profession and I will hold in confidence all personal matters committed to my keeping, and all family affairs coming into my knowledge in the practice of my calling. I shall be loyal to my work and devoted towards the welfare of those committed to my care.

### EMT Oath of Service

Be it pledged as an Emergency Medical Technician, I will honor the physical and judicial laws of God and man. I will follow that regimen which, according to my ability and judgment, I consider for the benefit of patients and abstain from whatever is deleterious and mischievous, nor shall I suggest any such counsel.

Into whatever homes I enter, I will go into them for the benefit of only the sick and injured, never revealing what I see or hear in the lives of men unless required by law. I shall also share my medical knowledge with those who may benefit from what I have learned.

I will serve unselfishly and continuously in order to help make a better world for all mankind. While I continue to keep this oath unviolated, may it be granted to me to enjoy life, and the practice of the art, respected by all men, in all times. Should I trespass or violate this oath, may the reverse be my lot. So help me God.
