Lady Rangers get OT win over TVCC

The Ranger College Lady Rangers netted a wild 83-82 triple overtime victory over the Trinity Valley Lady Cardinals in holiday action on Saturday, Nov. 26, in Athens, Texas.

After fighting through two overtime periods, Ranger picked up the win by outscoring TVCC with an 8-7 clip in the third extra period.

With the win, Ranger finished its holiday break with a 3-0 mark and, more importantly, improved to 4-7 in on-conference action.

Lindsey Charles also scored into double digits for RC in the win, netting 12.

The Lady Rangers held the upper hand early against the Lady Cardinals. Ranger broke a 20-20 deadlock in the second quarter by piecing together an 18-11 run. Back by that surge, the RC women held a 38-31 halftime cushion.

TVCC one-upped Ranger in the third. They netted an 18-10 run in the period and took a 49-48 lead into the final quarter of regulation.

Ranger kicked off its two-game appearance in Athens on Friday with a 70-63 victory over Bossier Parish Community College of Louisiana.

Reaghan Ridge spearheaded the RC offense by pouring in a team-high 16 points. Wilashia Burleson and Emily Vidal added 15 apiece, while Lindsey Charles chipped in 12.

Ranger opened its holiday break action on Nov. 23 with a 61-42 pre-Thanksgiving victory over the Howard College Lady Hawks in Big Spring.

Vidal pumped in a season-high 20 points in the victory. Ridge added 14.

The RC women will return to action on Dec. 10 when they travel to Altus, Oklahoma, to face Western Oklahoma State College.

The RC men also capped the holidays with a win. The Rangers, backed by 30 points from Tayton Conerway avenged an earlier loss to the Howard College Hawks by racing to an 81-72 victory on Nov. 23 in Big Spring.

The win moved the RC men to 7-4 heading into December.

Eli Taylor and Jaylen Thompson also came up big for the Rangers in the win over Howard. Taylor had 14 points and six rebounds. Thompson netted 12 points and six boards.

Ranger had dropped a 69-57 decision to the Hawks on Nov. 9 at home.

The RC men will return to play on Dec. 5 when they host Strength 'N Motion in the Ron Butler Gym.

More Than Just Books by Golemon Library Assistant, Mrs. Helen Cozart

Tired of hearing students complain that you give too much work? Have you ever used a [course load calculator](#)? As you start preparing for next semester, you can get a realistic estimate of how much time students have to spend on course work in your class by plugging some basic information into the calculator. It includes how much reading and writing they will need to do, adds in classroom time, and other assignments you may give, including discussion board posts and exams. This handy tool only takes a couple of minutes to fill in and helps you know that your workload is balanced. We have a link to [this course load calculator](#) on the [Library homepage](#), but there are several others out there if you keyword search.

Our current theme is Home for the Holidays. With a big Thanksgiving dinner behind us, we have a long Christmas break to look forward to. Time to go shopping!
