Edition No. 034

Getting to Know...Debbie Karl

Job Title: VP Institutional Effectiveness & Accreditation

When did you start working at Ranger College? November 10, 2020

Where did you grow up? Breckenridge (TX not Colorado!)

Favorite place to eat in Texas? Mi Familia in Breckenridge. Love their chips and salsa

Where can we find you on a Friday night? Eating at Mi Familia

What is the last book you read? Twenty Years Later

Guilty pleasure: Coconut Cream Pie iced latte from 4:18 Coffee Company. It's a weekly ritual!

Favorite Ranger College Moment: October 16, 2021-Day of Champions. It was good to see everyone in their RC Day of Champions t-shirts and doing work for the community.

Kudos

Over the past three weeks, Ranger College faculty, staff, and administration spent their Friday's cleaning and tidying up all three campuses. As part of the beautification initiative, Rangers took time to spruce up the campuses in preparation for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) visit in October.

Weekly Ranger Athletics Recap

Ranger College had a busy week in sports. Coach Geurrero's Ranger College soccer teams were in action taking on LSU-Eunice, Hill College, and Western Texas College. The men's soccer team would go on to drop three close games, while the women were able to pull out a victory in the final game of the week against Western Texas. The Lady Rangers volleyball team finished their week just how they began it. Coach Smith's team defeated Southwestern Christian College on Tuesday evening at Ron Butler Gymnasium, fell to conference rival Temple on Thursday, and capped the week with a strong-team-victory at Dallas College Mountain View on Saturday afternoon. Lastly, both baseball and softball were in action this week as they took the field in preparation for the Spring. Coach Norwood's looked dominant against Vernon College which is hopefully signs of things to come.

More Than Just Books by Golemon Library Assistant, Mrs. Helen Cozart

There are a lot of [events coming up in the library](#). First up is our short story writing contest. The theme must be scary. Encourage your students to submit 1000 words or less. There will be an awards ceremony October 31, with a story reading and a scary movie. Everyone is invited and costumes are encouraged.

[What to do this weekend:](#) This weekend is the [Plano Balloon Festival and Run](#). [Get out and get some sunshine and exercise.](#)

As part of our [International Year](#), this week we are celebrating Malawi. Malawi is an amazing country, hosting two World Heritage sites and the southern portion of the Great Rift Valley. Right now, they are having their [Lake of Stars](#) music and art festival. Stop by the library to learn more.

Motivational Quote of the Week
