Kudos

Thank you to Amanda Loftin and her staff at Great Western Dining for hosting the Super Bowl Watch Party last Sunday! GWD provided a game day meal for the students and guests. Thank you to Robert Culverhouse and Jon Madore from IT for setting up the big screen! More appreciation for our dorm directors and security that were on hand to engage with our students while Patrick Mahomes led the Kansas City Chiefs to a victory over the Philadelphia Eagles.

tarletonprez I'm excited to announce the Ranger to Tarleton Pathway. Through this co-enrollment arrangement, students are able to take major-specific classes here at [@TarletonState](#) while completing general education coursework at Ranger. This is another important step to increase educational attainment.

More Than Just Books by Golemon Assistant Librarian, Helen Cozart

Thanks for all the great input about the strategic plan that was received at our professional development on Friday. Your librarian, Helen, is on the committee to gather the information, so if you have anything else to contribute, pass it along to me or to another Institutional Effectiveness committee member. We are a great school, but we can be better if we get your ideas.

The library got a lot of helpful comments on our [services survey](#), but we would like more. I have put a link to it in the Faculty section of the [homepage](#) so anyone who missed it can fill it out. As budget permits we will be incorporating your ideas into our services.

[What to do this weekend:](#) Did you know the [Glenn Miller Orchestra](#) is still in business? Glenn may be gone but the tradition carries on. This week they will appear in [Abilene \(21st\) and Dallas \(24th\)](#). Go out for a traditional big band experience.

As part of our [International Year](#), this week we are celebrating Bolivia and the [Carnaval of Oruro](#). When the Spanish arrived, they banned the traditional Itu celebrations. Known as the Dance of the Devils, the Carnaval of Oruro was created to incorporate the native traditions with a celebration that included the Catholic rituals and has been celebrated for over 300 years. It is classified as a [UNESCO Masterpiece of the Oral and Intangible Heritage of Humanity](#). A terrific history of the event [can be found here](#). In 2023 it runs from February 13 to February 22. Stop by the library to explore Bolivian culture and their traditions.
